Our purpose is to determine, develop and deliver research and education for the cooperative community.

The Center's primary goal is to enhance society's understanding of the nature and role of cooperatives. We strive to develop and deliver innovative and integrated research and educational programs that are of direct interest to cooperatives. To do so, we encourage and need an open dialogue between Kansas State University, cooperative leaders in Kansas and other university and industry contacts across the United States.

ACCC Projects and Programs:
Cooperative Student Scholarships
Symposium and Leadership Roundtable
CEO Roundtable for Cooperative Managers
CML Roundtable for Cooperative Marketing Leaders
Cooperative Leadership Development Programs
Cooperative Research
Cooperative Board Retreats
Cooperative Annual Meetings
Cooperative Leader Lecture Series
Cooperative Financial Planning Projects
...and so much more

We can't do it without you! See the back for ways to support cooperative education now and in the future!
