Managing a large cooperative has become much more challenging in the last few years. The job of CEO will present even bigger challenges and opportunities in the future. CEOs must improve their leadership skills and implement more effective management strategies to successfully lead a cooperative in the 21st Century.

We invite you to this educational forum where critical issues, success stories and expert advice on leadership and management are presented and discussed.

**Program Cost: \$2,395**

**Sponsored by:**

**KANSAS STATE**  
AGRICULTURAL ECONOMICS  
Arthur Capper Cooperative Center

**COBANK**<sup>™</sup>  
COOPERATIVE. CONNECTED. COMMITTED.
