

KCC LEADERSHIP ROUNDTABLE

AUGUST 20-21, 2019

K-STATE ALUMNI CENTER—MANHATTAN, KS

FOCUSING ON THE FUTURE

Cooperatives are faced with an ever changing landscape, with industrial hemp cultivation now allowed more broadly, technology driving decisions and sustainability changing the way we think about business. Leadership Roundtable 2019 will kick off with internationally renowned speaker Jeff Butler, presenting on leadership in the 21st century. Jeff will discuss how anyone can develop leadership traits to create life-changing adjustments to get extraordinary results. Wednesday will include a discussion of young producers perspectives regarding cooperatives; an overview of industrial hemp and what it could actually mean to Kansas; and a focus on sustainability and the impact to co-ops.
