

## **Allison DeWeese Receives 2018 Triangle Insurance Scholarship**

October 23, 2018 (MANHATTAN, Kan.) – Allison DeWeese of Kingman, Kansas, a junior in agribusiness at Kansas State University, has been awarded the Triangle Insurance Scholarship through the Arthur Capper Cooperative Center and the Department of Agricultural Economics at Kansas State University.

Allison is a member of Alpha Xi Delta, holding several leadership positions. She is also a member of the Agricultural Economics/Agribusiness Club. She has volunteered with an after-school program for children affected by Autism and Autism Speaks. Allison completed an internship with Skyland Grain and works with the Collegian Media Group and the Hooray Ranch. She would like to work in grain merchandising or finance upon graduation in May 2020. The DeWeese family is affiliated with the following cooperatives: Skyland Grain and Wheatland Electric.

“The purpose of the Triangle Insurance Scholarship is to contribute to the education of future agricultural leaders,” states Professor Brian Briggeman, director of the Arthur Capper Cooperative Center. This scholarship has awarded \$8,000 since 2011.

To be eligible for a scholarship, students must be either a junior or senior in high academic standing in K-State’s College of Agriculture at the time the scholarship is received. The student or member of the student’s family must be employed by or serving on the board of directors of a Triangle Insurance customer cooperative or the family must be engaged in production agriculture and be an active member of a Triangle Insurance customer cooperative.

The awarding of the Triangle Insurance Scholarship is coordinated through the Arthur Capper Cooperative Center. “Additional contributions by those who want to support the purposes of cooperative scholarships are welcome,” Dr. Briggeman said. They should be made payable to “KSU Foundation/ACCC” and sent to the Arthur Capper Cooperative Center, Department of Agricultural Economics, 305 Waters Hall, Kansas State University, Manhattan, KS 66506.

### **About the Arthur Capper Cooperative Center**

The Arthur Capper Cooperative Center provides research-based information, education and assistance to people with and interested in cooperative businesses, including cooperative members, directors, managers and employees. The Center also works with students and faculty at educational institutions,

the general public and public officials as well as owners, directors, managers and employees of agribusinesses. Further information can be obtained about this scholarship or about establishing additional scholarships by emailing Brian Briggeman at [bbrigg@ksu.edu](mailto:bbrigg@ksu.edu) or visiting the Arthur Capper Cooperative Center website at <http://acc.k-state.edu/>.

###

K-State Research and Extension is a short name for the Kansas State University Agricultural Experiment Station and Cooperative Extension Service, a program designed to generate and distribute useful knowledge for the well-being of Kansans. Supported by county, state, federal and private funds, the program has county extension offices, experiment fields, area extension offices and regional research centers statewide. Its headquarters is on the K-State campus in Manhattan. More information is available at [www.ksre.ksu.edu](http://www.ksre.ksu.edu).
